FIFTEEN CENTS

Committee to study Industrial Development

A meeting of the Industrial Development Committee of the Antioch Chamber of Commerce and Industry was held at 12:30 p.m., on July 25, at The Way We Were restaurant.

Committee members present included Chamber President Dan Dugenske, Joyce Clement, Illinois Job Services representative, Dr. Donald Skidmore, Ace Mueller, Mark McKinney and Paul Pavelski.

The main purpose of the meeting was to hear reports on the area of concerns in introducing new industry to the Antioch.

These areas of concern include location, financing, types of industry, projected work force, outside consulting services and zoning.

The total consensus, after hearing each member's report, was that there is a need for a complete community profile that encompasses Antioch's complete industrial picture as well as a need to collect more pertinent facts about the area as a first procedure in presenting a total picture to new industry that might be interested in the area.

Park plans Kids Pet Show

Pet owners between the ages of 4 and 14 can still register for the free Kids Pet Show to be held August 2nd, 1980 at Williams Park. Entry blanks are available at the village hall.

The Kids Pet Show is sponsored by the National Recreation and Park Association, Ken-L Ration and Antioch Parks & Recreation.

Any pet may compete, regardless of breed, pedigree or professional training provided it

is at least six months old, is on a leash, and has rabies shots, and accompanied by a parent. The judging categories include best behaved, funniest, best trick, smallest dog, largest dog, best looking, and best in show.

Every entrant will be a winner. In addition to those receiving honors in one of the specific categories, each participant will receive a merit award ribbon.

For more information call Antioch Parks & Recreation, 874 Main St., 395-2160.

Jaycees to run dunk tank during Maxwell St. Days

The Antioch Jaycees will operate their Dunk Tank from 4:30 p.m. till 11 p.m., Friday August 1, and from 11 a.m. till 11 p.m. on Saturday August 2.

They will be located in front of the Limerick Lounge.

This year they will also be selling brats and corn.

The Jaycees feel this is one of their best projects for having fun.

In the past everyone who stopped by en-

joyed throwing balls at the bullseye hoping to dunk the person sitting atop the perch.

Many people came by to watch and ending up staying for a couple of hours to see people get dunked.

This year there will be several local VIP's sitting in the Dunk Tank.

Who knows, you might see the Mayor or someone like Miss Antioch.

Come on down, you'll have a great time.

BANK BUYS STEER — State Bank of Antioch purchased the second place 4-H steer at the Lake County Fair. The steer will be donated by the bank to the boys Antioch Little League, Babe Ruth League and the Girls Softball League. Pictured above from left front row are members of the leagues, Bobby Kaiser, age 10, Jayme Johnson, age 8 and Dale Ramage, age 9. Back row are Pres Reckers, bank vice president, Irv Carey, bank director. Carey was the successful bidder for the State Bank at the fair auction. The 1035 lb. Hereford steer was raised and shown by 12 year old 4-H member John Elfering, son of Mr. and Mrs. Al Elfering of Rte. 2, Antioch.

Rev. Erickson new associate at Evangelical Free Church

Sunday, August 3, Dr. George Sweeting, President of the Moody Bible Institute, will be the speaker at the 8:30 and 11 a.m. services of the Antioch Evangelical Free Church at Tiffany and Highview Dr.

At the 7 p.m. evening service Dr. Sweeting will introduce a new science film, "Energy in a Twilight World".

Two years of meticulous research went into the making of this film; a film that exposes the inner workings as well as deeper meanings of the energy crisis.

The eventful evening will include the installation of Rev. Donald Erickson, the incoming associate pastor whose work will be directed at ministering to the youth.

DONALD ERICKSON received his master

of Divinity Degree from Trinity Evangelical Divinity School in Deerfield.

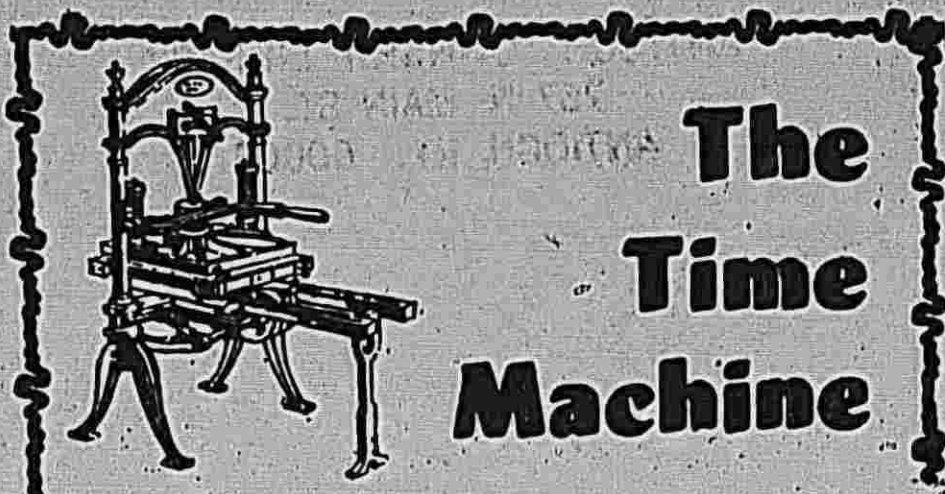

Rev. Erickson has previously directed and counseled at several youth camps as well as Youth For Christ Clubs.

He ministered at the Wheaton College Coffee House, served as an Army chaplain, and was the local coordinator of the Moody Bible Institute Quint-Cities Evening School.

He has officiated as youth pastor to three church congregations prior to his coming to Antioch.

DON, HIS wife Claudia and three daughters will be moving into the Antioch area this week to begin their ministry.

The community is invited to meet Rev. Donald Erickson and Dr. George Sweeting as well as view the new Moody Science Film.

The Time Machine

50 YEARS AGO: JULY 31, 1930

Joe Horton narrowly escaped death late yesterday afternoon when his car was hit and overturned by a passing motorist, on the road south of Antioch. Two hay wagons were going southward when the unknown motorist attempted to pass them. He passed one and too late, saw the approaching car of Joe Horton. As there was not room to edge in between the two wagons he tried to pass the second, but there was not time. He hit Horton's car, causing it to be overturned. He did not take the trouble to stop.

Frank Clower, part owner of the First Stop Saloon, is being held in jail, charged with murdering E.C. Coverston at the State Line Inn. Clower indicated he would file a pauper's affidavit so counsel for defense will be paid for by the state. Murder in self defense will be the defense argument.

Mrs. Frank Hamlin and Mrs. Troy Ballenger drove to Gages Lake early last week for an outing with a group of younger girls, including Bojan Hamlin, Pauline Nader, Mabel McCann, Betty Reinebach, Lorraine Hooper, Jean Cribb and others.

Little Dale Barnstable received minor injuries while riding in the country with his mother. The car stopped abruptly, and Dale was thrown forward cutting his lip. Dr. Warriner and Beebe were called, and several stitches were found to be necessary.

Bill Tucker Gray Jr., of Grays filling station and Fred Maier, Jr. of Lake Villa, of the L.B. Maier Co. left in an airplane to visit Chicago and Cleveland, Ohio. They also expect to return by plane.

When Clifford Ellsworth Hoffman, known to football fans as the famous "Biff" Hoffman of Stanford University, became the husband the other day of lovely Claire Evelyn Giannini, the marriage ceremony marked the Horatio-Alger-like rise of the bridegroom from son of a humble hod carrier to son-in-law of millionaire banker.

30 YEARS AGO: AUGUST 3, 1950

Dale Barnstable of Antioch, star guard for the University of Kentucky basketball team for the past four years, recently was appointed head basketball and golf coach at Dupont Manual high school of Louisville, Ky.

Baby gets bump on head — June Horton, year old daughter of Mr. and Mrs. Virgil Horton, received a bump on the head Sunday when the car driven by Edward D. Maggioni bumped the Horton car in the rear. Mrs. Horton slowed down to wave at her husband who was riding horseback in the adjoining field.

The new addition to the Antioch grade school was delayed so long by lack of steel that it will not be ready for use at the opening of school in September.

Gov. Adlai E. Stevenson will attend the Lake county fair at Wauconda Friday evening giving a short talk.

10 YEARS AGO: JULY 30, 1970

The Pacemakers who will appear in Antioch include, Kathie Pitcher, Kim Thorstenson, Shauna Clark, David Kalk, Debbie Loblaw, John Maynard, Kathy Detreman, Stephen Michael, Debbie Paul, Larry Peacy, Diane Parrott, Jill Bicket, Bill Watson and Sherry Smith. They will perform in an original musical called "The Beat Goes On Decade After Decade" for the benefit of Antioch High School's A.F.S. foreign exchange and Americans abroad programs.

Three paintings created by Susan Fitzpatrick, Susan Serdar, and Carol Scheve, art students in advanced design at the College of Lake County, are currently on display in the College Learning Resource Center. Illinois Attorney General William J. Scott today warned all Illinois residents to be wary of door to door salesman and telephone solicitors who offer free encyclopedias to the public. He also warned young persons to beware of misleading and exaggerated offers of employment in connection with sales of encyclopedia.

Pat Clavey, Lake County Coroner, will be featured as guest speaker for the Rotary luncheon, July 30, at the Brave Bull.

Bulbs available to organizations

For the first time the National Arbor Day Foundation is making it possible for organizations to sell fall-planting Dutch bulbs as a fund-raising project. Tulips, daffodils, narcissi, Dutch irises, hyacinths, and crocuses will be available through the program.

Youth and school groups, clubs, churches and other organizations can sell their bulbs in their community to raise money for their ac-

tivities, and the foundation will mail the bulbs directly to the customers' homes. The local sponsoring organization never has to handle the bulbs, according to the foundation.

The Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life in communities throughout the country by encouraging beautification projects.

**MR. AND MRS. OLIVER R. HUGHES**

Mr. and Mrs. Oliver R. Hughes of Felter's Subdivision, Antioch, recently celebrated their 50th wedding anniversary at a surprise party for their many friends and relatives hosted by their two daughters, Mrs. Edward (Janice) Sima of Palatine and Mrs. Bob (Jeanne) Willett of Antioch. The celebration was held at the home of Mr. and Mrs. Willett.

In addition to their two daughters, they have five grandchildren.

Mr. Hughes is a lifelong resident of Antioch, born and raised on a farm on the east side of town where his mother still resides.

Mrs. Hughes, the former Doris Brumfield, was born in Howard Lake, Minn., and moved to Antioch very young in life. Both attended and graduated from Antioch High School and were married a few years later in a simple ceremony.

Mr. Hughes retired from the U.S. Postal Department in 1964 after 37 years of service as a rural mail carrier. During part of that period worked after hours at the Antioch Theater. Mr. Hughes is still very active in taking care of his lawn service in his neighborhood which he has had for many years.

Free bible club

Antioch area children are invited to join for free a 5-Day Bible club, August 11 to 15, in Oakwood Knolls.

The Bible club will offer Biblical lessons on flannelgraph, singing and the learning of Bible verses by memory.

Child Evangelism

Fellowship, which sponsors Good News Club and 5-Day Club, was organized over 25 years ago as an American teaching and home missionary organization to reach boys and girls for Jesus Christ.

The club will be from 10 to 11 a.m. For information on location, call 395-1219.

'Godzilla the Pig' held by Jaycees

The Antioch Jaycees held their Godzilla The Pig party on Saturday July 19th at Cross Lake.

The festivities included skin, tubing, and water volleyball.

Craig Dayton the party chairman said that everyone there had a great time and that there was plenty of brats and hotdogs, so no one went away hungry.

Godzilla The Pig is a program the Jaycees use to fine members.

At each monthly meeting the Jaycees have a time period where every member

has a chance to get up and tattle to the club on a Jaycee who did something worthy of a fine.

This year's Pig chairman Kevin Lyons said the way the fines are rolling in, next years party will be featuring steaks.

If you are a young man between 18 and 35 and are interested in the Jaycees, their next meeting will be 8 p.m., Thursday, July 31, at the Brauhaus on Rte. 173.

For further information you can contact the Antioch Jaycee president Don O'Connor at 395-0152.

Schill wins Wilmot

Al Schill, Franklin, won his third 25-lap SCRAM late model feature of the season in the AMERIGAS main event at Kenosha County Speedway July 23.

Fred Zack maintained the lead through the first 10 laps of the race which featured a lot of side by side action. The first yellow came on lap five when Art Meinig and Phil Rehberg tangled. Both were out of action for the night.

Heat winner Bill Prietzel led laps 11, 12 and 14 with he and Schill racing wheel to wheel. Schill, former modified driver at Wilmot, led lap 13 and went into the front for good on lap 15.

ON LAP 23, the final yellow appeared when Chick Stolarik's Camaro coasted to a halt right in front of the starter's stand. That put heat winner Whitey Harris and fastest qualifier Mike Melius right behind Schill.

He was able to hold them off with Harris, Melius, Prietzel and Ted Dolhun completing the top five.

By virtue of Harris' finish in the feature, he overtook Melius in the Wednesday night point battle.

Joe Torri won a heat and the semi-feature with Brian Leslie also winning a heat.

THE SCRAM sportsman AMERIGAS 20-lap feature was won by heat winner Jeff Waskiewicz, Greenfield, in his first main win ever.

Bob Rasmussen led from the opening go-around until lap four when Waskiewicz got inside him and took over.

Waskiewicz was dialed in as he maintained a sizeable margin over Joe Gresk, who placed second. Fast qualifier Greg Golubeff, heat winner Lee Sohns, Tony Garbowski and Lee Emrich rounded out the top six.

Point leader Al Tietzen also won a heat.

JIM PAVLIK, Racine, won his first spectator feature of his career in the 15-lap main.

Richard Reth took the lead on lap three following a yellow for Steve Dei who spun while leading. Reth maintained the lead until the final yellow appeared on lap 13 for Jim Raupp and Ted Ellis who both spun in turn four.

Pavlik, who earlier won a heat, got by Reth on the restart. Reth, Larry Derler, heat winner Rick Lawrence and Lyle Derler were the remainder of the top five.

WOTM meet

Antioch Chapter 735 Women of the Moose College of Regents business meeting was called to order by Senior Regent Louise Gutowski with all officers present.

After the opening ceremony, the Guides presented the chairman and officers with their emblems of office and escorted them to their chairs.

Recorder Judy Page read the minutes of previous Chapter and Board of Officers meetings, which were approved with corrections.

A report from College Chairman Judy Page gave the results of the Homecoming Raffle held to honor Col. Harriet Grewe from Moosehaven.

The winners of the raffle are: first prize \$100, Ruth Pearlman; second prize \$25, Ruth Kohl; third prize \$15, Larry Gilo; fourth prize \$10, May Palmer.

The Chairman thanked everyone who helped the Collegians have a successful project.

Hospitality Chairman Gladys Schroeder gave her report on get well and sympathy cards sent to members and we hear our custodian, Fred Beckman, is in the hospital.

The Guides escorted Co-workers Shirley Gutowski and Julie Gajewski to the altar where they received their Chapter pins for attending three consecutive meetings.

Recorder Judy Page read a bulletin from Mooseheart about the new enrollment campaign.

This year's theme is "Dial a Candidate" and the charm for enrolling two candidates is a gold French phone to add to your charm bracelet.

Calendar: cribbage tournament, July 24; '50-60's Dance, August 9; Star Recorder Chapter Night, August 7; Board of Officers Meeting August 14.

State Bank Tennis Tourney is set for August 8-9

The response to the up-coming fourth annual State Bank of Antioch Youth Singles Tennis Tournament has been excellent, according to Pres Reckers of the State Bank, coordinator of the tournament along with Karla Herbst of the Antioch Parks and Recreation Dept.

The tournament is open to all area boys and girls between the ages of eight and 17 and will be held August 8 and 9 at the Doc Jensen Park courts and Antioch High School courts.

Finals will be on Saturday at the Doc Jensen courts.

Boys and girls will compete in separate divisions according to age: 8-10 years, 11-13

years, 14-15 years, and 16-17 years.

A total of 32 trophies will be presented to first, second, third and fourth place winners in each age group.

All participants will receive a complimentary Bucky Bunker t-shirt from the State Bank of Antioch, which is also providing tennis balls.

Applications may be picked up at the marketing department of the State Bank or at the Parks and Recreation Department, and all area boys and girls are encouraged to enter whether they are experienced tennis players or just beginners.

Entries must be submitted to the marketing department of the State Bank no later than Friday, August 1.

Women golfers Fun Day

As a change of pace, the State Bank of Antioch's Womens Golf League held their mid-season Fun Day July 24 at Hunter Country Club.

They played nine holes of a one ball foursome, with prizes awarded to first and second place foursomes, a booby prize for last place, and a special prize for the longest drive.

First place was won by the foursome of Ginny Cornelius, Pearl Fowles, Lorriane Hit-

chon, and Delores Scarpelli, second place went to a foursome of Betty Mentone, Ester Jacobsen, Jean Karas, and Marg ReCupido.

The booby prize was won by the foursome of Trudy Anderson, Jan Hagstrom, Jean DeBoer, and Nancy Zitkus.

Betty Mentone was awarded the prize for the longest drive.

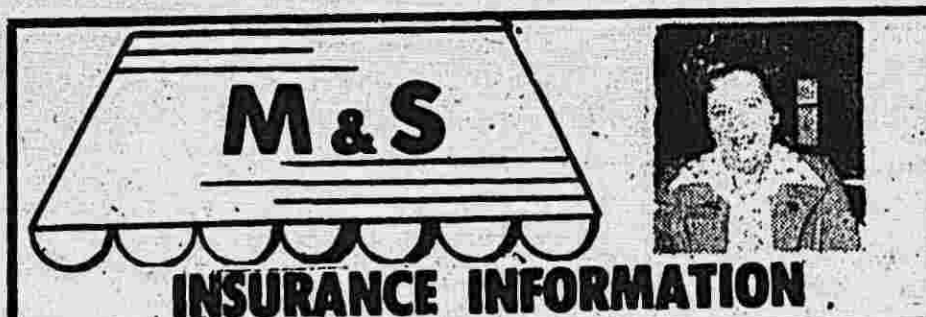

Following their fun on the golf course, the ladies enjoyed a delicious luncheon at the club.

Having just moved here from another state, we were talking with a new neighbor who had bought some insurance we've never heard about. When inquiring about this coverage we discovered it was similar to coverage we had back home. Why the great difference.

True, there are differences in insurance laws and regulations from state to state but most discrepancies are in the wording and forms of the policies, not in the substance. With 50 states, all with different rules and regulations, it is possible to have 50 slightly different policies but each designed to do the same basic job and usually offering similar coverage and benefits. However, you should contact a local insurance agent and explain what kind of coverage you presently have. If your coverage needs to be changed, the agent can advise you.

Antioch GOP active in election year

The Antioch Republican Club held its monthly meeting July 23, at the Antioch Township Hall.

The new officers took office after being sworn in at last month's meeting and have received the club's complete support from the very start.

The club's first president, Herb Horton and former presidents, Gene Zannini and Frank Johnson, all attended Wednesday's meeting.

They were very helpful and expressed a great deal of enthusiasm.

THE CLUB welcomed another new member this

month, as memberships continue to climb.

Leonard Kreusler was introduced and will be sworn in at next month's meeting.

There is a new wave of enthusiasm throughout the Republican Club.

EACH meeting is filled with more new ideas and concerns, members said.

Wednesday night Jim Fields recommended setting up voter registration both days during Maxwell Street Days. He received the club's total support.

There will be four designated locations in An-

tioch July 31, August 1 and 2, during Maxwell Street Days.

This will make it convenient for anyone who is not yet registered to vote to become a registered voter.

Regardless of political interests, the GOP club believes in exercising the right to a free society.

SEVERAL members pointed out that the club still needs more help.

Years ago the GOP club was formed by a young group of citizens who were concerned about their community and the direction in which it was headed.

Specific issues spurred their interest. With a well organized, unified Republican Club.

They proved to be very effective and have continued to be effective throughout the years, they said.

MEMBERS all agree they must continue to bring in new members.

This is an organization that does not have a generation gap of any sort, they said.

The Antioch Republican Club welcomes all newcomers and firmly believes that their group can

be the doorway to our community.

THE NEXT Antioch Republican Club meeting will be held at 8 p.m. Wednesday, August 20, at the Antioch Township Hall on Rte. 173, east of Rte. 83.

Tickets for the 1980 Annual Dinner and Golf Outing at Harbor Ridge Country Club, Sept. 10, are now on sale.

TICKETS for the Antioch Township Republican Club prize bonanza are also now on sale.

For further ticket information call Lillian Gollonico, 395-1872.

Mosquito control is outlined

Scientists from the University of Illinois have predicted a substantial increase in mosquito populations as a result of the rains that have inundated much of our state.

But officials of Antioch and Lindenhurst are doing something about it. They had been forewarned of this situation by the Clarke Outdoor Spraying Company, which handles the mosquito control program for their communities.

Identification of problem spots and an effective program to combat an increased mosquito population were presented. There is more to the mosquito problem than the discomfort caused by the insect's bite. When conditions are right, it can spread encephalitis (sleeping sickness) to humans and heartworm to dogs. The most positive way to ward-off outbreaks of these diseases is to control their carriers.

Presently, complete control of the mosquito is not attainable, but new techniques are about 95 percent effective. They help assure the reduction of the pest population to the lowest practical level for the longest possible time. Well planned programs include larviciding of standing water. The larvae which live to develop into flying adults, are then controlled by a supplemental adulticiding program.

Community residents are a vital link to an effective program. About 10 percent of the annoying pests can come from backyard breeding grounds. Any place that water stands may become a nursery. Clogged rain gutters, tin cans, flower pots and children's toys are perfect sites. Even the backyard pool may provide sanctuary.

Residents are asked to keep these receptacles clear of water and if they wish, may also supplement the community spraying program by applying insecticides to shrubs and tall grass. Malathion, available through garden centers or hardware stores, is an effective agent.

The community spraying

program applies insecticides with ultra low volume (ULV) equipment. This method atomizes the concentrated insecticide into such small particles that it takes less than an ounce per acre to attain desired control. The resulting spray remains airborne for a very few minutes, thus reducing the pollution problems inherent in older fogging methods.

Insecticides should be applied at least once every ten days during the latter part of the season to preclude transmission of virus carried by mosquitoes. The encephalitis virus takes from ten to fifteen days to develop after the mosquito picks it up

from an infected bird.

The disease should not manifest itself in the human population if persons are bitten by insects less than ten days old. The solid combination of larviciding and adulticiding helps assure against any disease outbreak.

Our local communities have asked Clarke to provide their citizens with a method of communication with the program. The company has installed a Citizen Response System, a "mosquito hotline", to answer questions about this ongoing mosquito control effort. People may call it toll-free at (800) 942-2555.

LAST YEAR'S WINNER — Young Richard Korjenek shows the kind of determination that won him a 1st place trophy in the boys 8-10 age division in last year's State Bank of Antioch Youth Singles Tennis Tournament. This year's tournament is to be held August 8th and 9th, and entry blanks can be picked up at the State Bank. Boys and girls from Antioch and out-lying areas are encouraged to enter, whether they are experienced tennis players or just beginning. All entries must be submitted by August 1st to the Marketing Department at the State Bank.

BE SURE TO STOP IN

Along the way with ANNIE MAE

Well I'm all ready for Maxwell St. Days this weekend. I've sharpened my elbows and polished my combat boots, so I'm all set to get my share of the bargains being offered by the local merchants.

Of course I'm still trying to figure out what to do with that lavender lamp shade I got for such a good price last year.

Maybe I can wear it, it's such a lovely color and they tell me hats are back.

Todd Maplethorp tells me that the annual Firemen's picnic held at Williams Park last Sunday was a real success with almost all of our 50 firefighters and their families enjoying the day that eventually turned into a rather nice one weatherwise.

Just a reminder to all the children in town who have pets. It's time to get them all dolled up for the pet show that will be at Williams Park on August 2.

I've been seeing kids running around town wearing t shirts that advertise Bob Wilton for mayor.

Well, are you or are you not, Mr. Wilton?

A belated happy birthday to Lee Ipsen who celebrated the occasion all day, July 23.

Here's a good way to get yourself in shape and help others who are in much worse shape and have a hard time helping themselves.

DJs Fitness and Racquet Center is joining the fight against muscular dystrophy by offering seven health club visits for \$10, \$3 of which will be donated to the fight against MD.

It was nice to see Gene and Barb Diemer, who were visiting our fair village from Florida.

I still remember Barb's pleasant voice when she used to operate the Antioch Answering Service.

They tell me that their twin sons, Edward and Gene, have graduated from high school in Florida and Ed is in the family plumbing business while Gene had joined the army and is stationed in South Carolina.

Saw an unusual sight in the State Bank the other day.

There was a young man dressed in a green jumpsuit and a high top hat on his knees in front of Jean Rockow's desk singing happy birthday. Don't you just love it!

Now I'm really feeling my age. After having my trusty Alice Marble restrung, I was turned down when I tried to enter the State Bank's tennis tournament.

Can you imagine, they had the nerve to tell me that I looked older than 17, well, maybe a year or two.

Congratulations to the Cardinals on winning the triple A league baseball championship.

How could they lose, that team seems to have as many coaches as they do players.

GIGI OPENS — PM&L's new musical "Gigi" is slated to open this Friday. —Photo by Gloria Davis.

Park opens aqua dynamics

The Antioch Aqua Center will be holding a hydro-slimnastics or "slimming through swimming" class August 4-8th from 7 p.m. to 8 p.m.

The class will show exercises that can be done in the water, and will help to trim off inches and improve muscle tone.

Although you can't get in shape in one week, it's a great way to begin.

The fee is \$5.00 and the students must be at least 16 years old.

Further information can be obtained by calling 395-2160 or 395-9700. The parks office or the Aqua Center.

PM&L's Gigi opens Friday

"Gigi", the long-awaited Lerner and Loewe musical comedy, will open this Friday night, August 1, at the PM&L Theater, 877 Main Street in Antioch.

Two additional performances will be given this weekend, on Saturday and Sunday, August 2 and 3; and three more next weekend, on Friday, Saturday, and Sunday, August 8, 9 and 10. Curtain time for all six shows will be 8:30 p.m.

PM&L'S SUMMER MUSICAL, "Gigi", is directed by Barbara D. Miller. The large and talented cast is drawn from Antioch and surrounding communities.

Larry Bullman of Ingleside plays Honore; Bruce Berger, Lake Zurich, Gaston; Pam Guardi, Antioch, Liane; and from McHenry, Michelle Patzke Jende plays Gigi, Ann Marie Cina is Mamita, and Gloria Stewart is Alicia.

Other cast members include Joe and Chris Apostol, David Carlson, Aileen, Andrew and Jennifer Biel, Lisa DeBenedetto, Darlene Olsen and Sandy Olson from Antioch; Michael Koepke, Lindenhurst; Cheryl Cap,

Ingleside; Phil Slowiski and George Cina, McHenry; Pat Bast, Fox Lake; Fran Amore, Solon Mills; Don Beveroth, Paddock Lake; Rosline Scheske Trusky, Winthrop Harbor; and Ann Seisser, Lake Villa. Tracy Teltz Kiederlen is pianist.

A LARGE-SCALE and vibrant musical production, "Gigi" recalls the France of pre-World War I days, when the very word "Paris" meant gaiety, music and romance.

The colorful show is livened by the songs and dances of such well-known and widely-loved hit tunes as "Thank Heaven for Little Girls", "Gigi", "The Night They Invented Champagne", the nostalgic "I Remember It Well", and the rousing can-can. "At Maxim's."

"Gigi" is obviously a major event of this season. To be sure to see this lavish and spectacular production, remember to call 395-3055 to make your reservations, and to be at the PM&L box office no later than 8:15 p.m. on your night to enjoy the show.

Shooters honored by Jaycees

On Sunday, July 20, the Antioch Jaycees held a picnic on Lake Marie.

The purpose of the picnic was to honor the kids who did so well at the shooting competition in May.

CRAIG DAYTON and Jay Bruski, the project chairmen awarded the shooting team individual trophies.

The balance of the day was spent swimming, skiing, tubing, and just having a good time.

The Jaycees will be starting their Shooters Education program in early September.

If you are between the ages of eight and 14, and would like to participate, put your name, age, address, and phone number on a piece of paper and mail it to: The Antioch Jaycees, Box 254 Antioch, Illinois 60002

Tuition rebate available

Lake County students interested in enrolling in programs at Illinois community colleges outside of the College of Lake County's district can obtain chargeback applications at CLC's office of career program development on the Grayslake campus.

Tuition chargebacks are applicable for residents of CLC's district who are interested in participating in educational programs not offered locally.

Applications must be completed 30 days prior to the beginning of the fall semester.

Auditions slated for PM&L's 'Our Town'

Tryouts for Thornton Wilder's Pulitzer Prize Winning play, "Our Town", directed by Tom Hausman, will be held Monday and Tuesday, August 4 and 5 from 8 to 10 p.m. at PM&L Theater, 877 Main St., Antioch.

A large cast is needed for this show which will kick off PM&L's Season XX. The first rehearsal will be Monday, August 11, and production dates are Sept. 20, 26, 27, 28 and Oct. 3 and 4.

The Sept. 28 date is the first of the new Sunday matinee performances that we will be inaugurating in this 20th anniversary season. If unable to attend either tryout date, contact Tom Hausman at 395-7489 and he will arrange for an earlier tryout.

Little League says thanks

With the conclusion of the Little League season, the Antioch AAA League wishes to thank the managers and coaches for spending the many evenings with the AAA and AA boys and sponsors.

Managers, team and sponsor are: Ernie Shkryia, Cardinals, Galdine Electronics; Jim Hallwas, A's, Diemer Plumbing and Heating; Al Wons and Eric Knackstedt, White Sox, Frostee Foam Co.; Jim Litchfield, Pirates, Sunrise Office Supply; Ken Larson, Orioles, Multi-Circuits.

Other managers, teams and sponsors are: Dick Rench, Phillies, Antioch Jaycees; Jim Pierce, Astros, Adesko Electric; Tom Williamson, Twins, Candlelight Galleries; Tom Murphy, Padres, Awards by Kaydan; Mike Golebrowski, Rangers, Lake County Sheriff FOP 66; Ed Haley and Sid Parker, Angels, Area Glass and Mirror; Tom Coskey, Royals, Teresi Chevrolet-Olds; Al Hart, Cubs, Awards By Kaydan; Bill Gers, Giants, M&S Realty.

The leagues also wish to thank their umpires Tim Keefer, Ed Jorgenson, John Klaczak, Rick Keefer, Barry

Proctor, Frank Mahar, Tom Adams, Pete Kessler, Nick Zein, Jeff Rietschael, Mike Mitchell, Dan Berkeil, Jeff Johnson, Jim Pierce and Tom Murphy.

Also a big thanks to those who worked in the concession stand and who helped with fund raising.

Obituaries

Anton Bishofberger

Anton Bishofberger, 88, of Antioch, died Friday, July 25 at Victory Memorial Hospital, Waukegan.

He was born July 20, 1892 in Austria and came to the United States in 1906 to settle in Chicago. He had lived in Michigan before moving to Antioch in 1944. He was also a veteran of World War I and was a member of American Legion Post 784 in Antioch.

He had been employed as a sheet metal worker for many years prior to his retirement. On June 7, 1919, he was married to the former Sophia Kroll in Chicago.

Survivors include his wife Sophia; one daughter Mrs. Lorraine (Stanley) Toton of Antioch; one brother, Frank Bishofberger of Maderia Beach, Fla., two grandchildren and two great-grandchildren. He was preceded in death by seven brothers and sisters.

Services were held Monday June 28 with interment in Hillside Cemetery, Antioch. Friends may offer Masses or make contributions to the Antioch Rescue Squad in his memory.

Georgeann O'Connell

Funeral Mass for Mrs. Georgeann O'Connell, 40, of Antioch, was said July 26 at St. Peter Church, Antioch.

Visitation was at Strang Funeral Home, Antioch.

Mrs. O'Connell died suddenly July 22 at her home. She had been a lifelong resident of Lake County living in Grayslake until moving to Antioch in 1966.

Survivors are her husband, Dennis; three sons, Sean, Michael and Jason, all at home; one daughter, Erin, at home; her parents, Albert and Elizabeth Richardson Wagner of Grayslake; and one sister, Mrs. Percy (Diana) McNeely of Kansas City, Mo.

Wilford N. Palmer Sr.

Memorial services for Wilford N. Palmer Sr., 72, of Antioch, were held July 22 at the Strang Funeral Home, Antioch.

Mr. Palmer died July 22 at Victory Memorial Hospital, Waukegan. He moved to Lake Villa in 1951 and to Antioch in 1956. He was a member of Good Shepherd Lutheran Church, Lake Villa and was a member of the Carpenters Union Local 448 in Waukegan. He was also a member of the Lake Villa Fire Dept. Social Club. He was a carpenter contractor for many years operating the Ingabill Construction Co. until his retirement in 1972.

Survivors are his widow, Marion; three daughters, Charlotte D. Palmer of North Palm Beach, Fla., Mrs. Russell (Rhoda) McMurtry of Lake Villa and Mrs. Bill (Anita) Wynn of Hollow Rock, Tenn.; two sons, Wilford Jr. of Broken Arrow, Okla., and Dwight of Vidor, Texas; one brother, Lester of Poplar Bluff, Mo.; two sisters, Hazel Callison of Columbia, Mo. and Mrs. Gene (Imogene) Mersey of Booneville, Mo.; his mother, Zola Palmer of New Franklin, Mo.; 14 grandchildren; and one great-grandchild. He was preceded in death by two grandchildren.

Contributions may be made in his memory to the Antioch Rescue Squad or the Good Shepherd Lutheran Church in Lake Villa.

Bernice E. White

Funeral services for Bernice E. White, 67, of Chicago, were held July 22 at the Gibbons Funeral Home, Chicago.

Mrs. White died July 19 at Suburban Hospital, Hinsdale. She was a member of the Loyal Order of the Moose, Portage Park Lodge 220, Chicago.

She was preceded in death by her husband, John R. in 1979.

Survivors are two sons, John Jr. of Wonder Lake and Robert of Bensenville; four daughters, Mrs. Kenneth (Dolores) Ivester of Hinsdale, Mrs. Roy (Barbara) Gallaher of Antioch, Mrs. Lee (Judy) Kefauver of Albuquerque, N.M. and Mrs. Philip (Marilynne) Franklin of Romeoville; two brothers, Roy McDonald of Houston and Thomas McDonald of Chicago; two sisters, Mrs. Rita Pazdernak of Houston and Mrs. Floraine Robertson of Seattle; and 10 grandchildren. Interment was in Hillside Cemetery, Antioch.

Belton R. Gean

Funeral services for Belton R. Gean, 67, of Antioch, were held July 25 at the Strang Funeral Home, Antioch.

Mr. Gean died July 22 at Victory Memorial Hospital, Waukegan. He had lived in Antioch since 1951. He was a machinist for the Fansteel Corp. in Waukegan since 1951, retiring in 1977. He was a member of the International Assn. of Machinists and Aerospace Workers Union Local 140, Waukegan; and was also a member of the Senior Citizens.

Surviving is his widow, Catherine. He was preceded in death by one brother and two sisters.

Interment was in Irving Park Cemetery, Chicago.

Keep clean and healthy

If you grew a vegetable garden this summer, you've probably been processing a lot of food. As you know, when large quantities of food are being handled, it is difficult to keep an immaculate kitchen. Working surfaces must be scrubbed clean and all canning equipment must be sterilized before use.

Raw fruits and vegetables must be washed thoroughly in sanitized utensils before freezing or canning. The food must be prepared with clean hands, free of cuts or open sores. If there is a wound it should be sealed with a tape bandage. If someone with a cold coughs or sneezes on the food, it can become contaminated with bacteria.

Then, the food must be either frozen rapidly at less than zero degrees fahrenheit or processed at more than 240 degrees fahrenheit.

Name Phyllis Drije To Antioch Savings Board

Antioch Savings and Loan has announced that Phyllis Drije was elected to the board of directors at the last board meeting held June 16.

Mrs. Drije has been an Antioch resident since 1955. She and her late husband formerly owned a Chevrolet Olds dealership in Antioch and subsequently an A-Z Rental Center which Mrs. Drije sold after her husband's death.

She is now a Realtor Associate with Red Carpet, Dee Young and Associates and enjoys sewing and a variety of sports in her spare time.

Mrs. Drije is the mother of three sons, Greg and Roger who are both married and Jerry, a 1980 graduate of Antioch High.

Harold Collins, president of the association, stated, "I am most pleased that Phyllis Drije is now serving on Antioch Savings' Board. Her involvement in the community and related organizations reflects Antioch Savings' commitment to be community oriented in every sense of the word. She will truly be a valued member of the Association."

PHYLLIS DRIJE

THIS IS A PRACTICE PEAK ALERT. FOR THE REAL THING, LISTEN TO YOUR RADIO.

If today were a real Peak Alert, we'd be on the radio asking you to conserve as much electricity as you could between 9 a.m. and 10 p.m., when the use of air-conditioning is greatest.

To keep your home at 78 degrees, no lower. (The colder you make it, the more electricity your air conditioner has to use.)

To postpone washing, drying or ironing clothes during the day.

To cook outdoors if you possibly can.

To vacuum early or not at all.

To read a book instead of watching a lot of TV.

To run your dishwasher after you go to bed.

To take a shower instead of a bath. (A bath uses more hot water and makes your electric water heater work overtime.)

Anything you can add to the list would be greatly appreciated.

Now, the world isn't going to come to an end if you don't conserve. Your electric bill is just going to go up.

For instance. Say we have three or four scorches back to back and

everybody turns the air-conditioning on full blast.

When you add that to the normal daily demand for electricity, it's easy to run short. Unless we start every backup power plant that's available, regardless of how small or how old.

Worse yet, some of them use awfully expensive fuels, like oil. Which means the cost of producing each extra kilowatt-hour of electricity goes up to almost 12 cents, 16 times more than our nuclear generators can do it for. And extra fuel costs get passed along to you in the fuel adjustment charge on your electric bill.

Besides, if everybody can just cut down a little on Peak Alert days, we won't have to build as many plants in the years ahead.

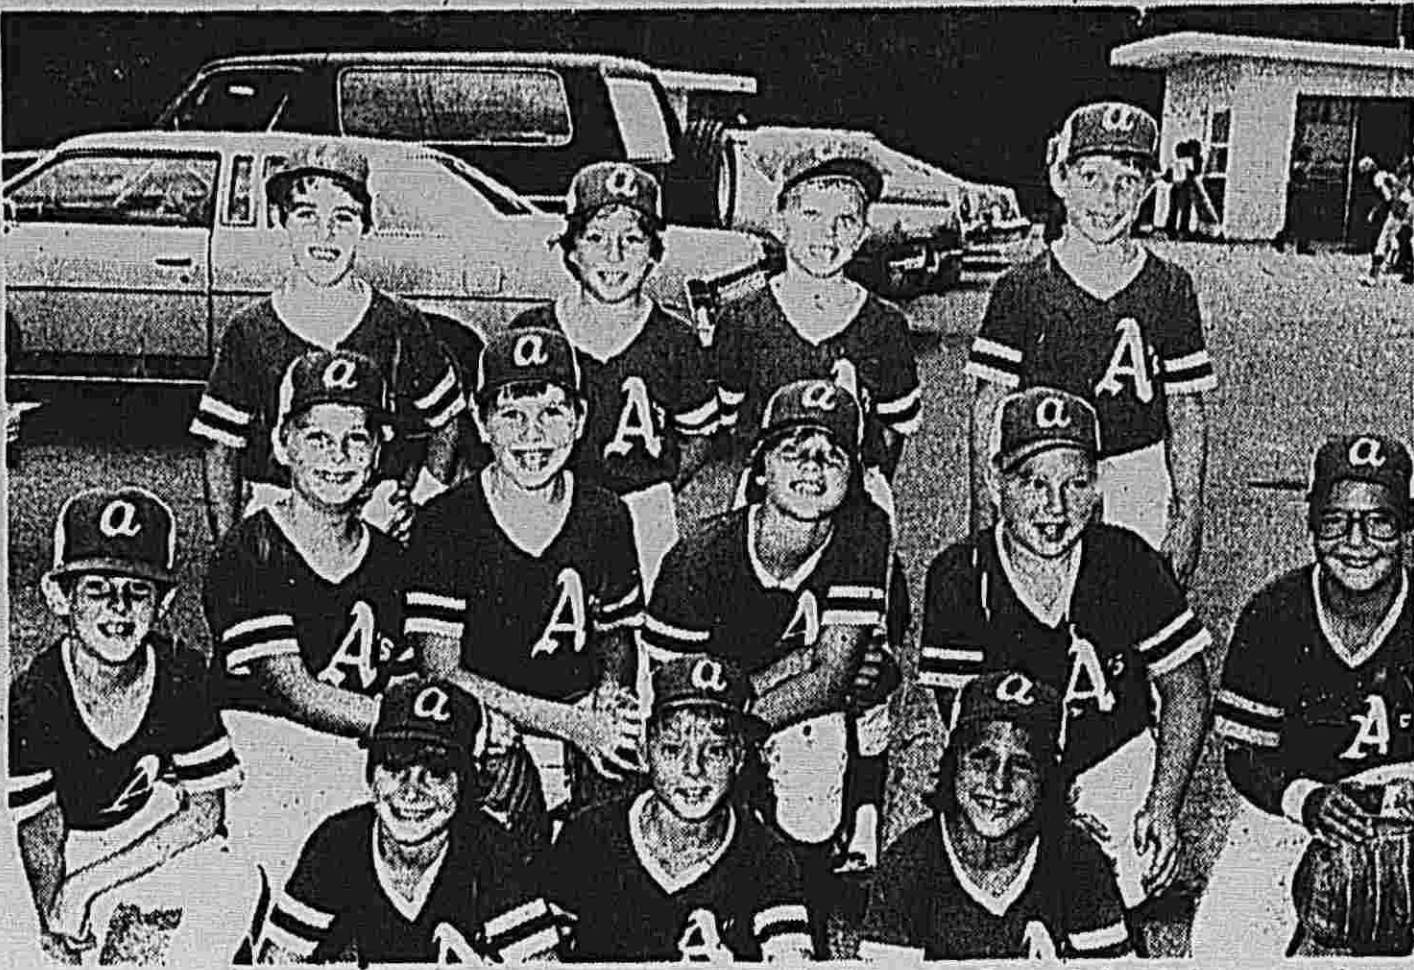

So in peak demand periods, we'll go on the radio to warn everybody that we're having a Peak Alert and it's time to conserve every way they can.

It pays. If we all conserve, we all save.

In case you need practice, make a dry run today.

Antioch A&W Restaurant under new management

Jim Webb and his wife Bernadine, new owners of the A & W Root Beer Drive Inn and restaurant on Rte. 173, are realizing a dream come true in owning their own business at last.

Webb, who is 37, and has been working in "Fast food" since he was a sophomore in high school, took over the restaurant on July 1 and since his wife and his two sons, Jim Jr., 15, and Matthew, 10, are working right alongside of him, has made it into a "family affair."

The Webbs are presently residents of Lindenhurst, but have always liked Antioch and received a great reception since they took over the well known restaurant, a part of the oldest food chain in the country.

They will be holding their own grand opening celebration from August 4 through 7, hosted by the Great Root Bear who will be giving out free candy and balloons.

The Webbs presently employ 21 people with Bob Gamboni serving as assistant manager.

Woman behind Antioch man her support is appreciated

"Her support helps make my job easier," is the great testimonial given Evelyn Skidmore by her husband, Don Skidmore, superintendent of the Antioch Grade School District.

Evelyn who was born, raised and schooled in Barrington, and went into payroll work after completing contometer school.

The night that she accepted a blind date with a soldier from Portland Oregon was the beginning of a courtship that ended at the altar eight months later.

Then the long hard trek of working and putting Don through Northern Illinois started for the both of them, with Evelyn becoming a full time homemaker after the birth of their first son, Steve, who is now 16 years old and attending Antioch High School.

The rest of their family includes Donna Sue, 15, also at ACHS and Douglas, 9, now in

the special education program at Laremont School, in Gages Lake.

"Don wanted me to stay at home after the children were born," Evelyn says.

"We both feel that that is my place since we're just a homebody family," she continues.

Although she plays around with the idea of someday returning to the accounting world she now busies herself with her warm comfortable ranch home on First St., doing things with the kids, bridge playing, some craft projects, membership in the Antioch Women's Club and the circles of the United Methodist Church, the religious congregation to which the Skidmore family belongs.

After the instant commercial given by her husband, I'd say that Evelyn is really the woman behind the Antioch Man.

A woman's place

When I think about it Who's really in the fight to try and gain equal rights?

by GLORIA DAVIS

Ever since our founding fathers left that one sentence in the Declaration of Independence unfinished, the American male has been involved in finding who all men were created equal to.

Even though we girls know what Tom Jefferson and Ben Franklin meant, it falls to us to keep bolstering the insatiable male ego by pretending that we haven't known that for the last 200 years our men have really been trying to gain equality with their female counterparts.

Now, I ask you, throughout history which sex has had more impact on the shaping of the world?

FIRST, WHO changed the idyllic conditions in the Garden of Eden and consequently changed the entire ways of the world, when she ate the apple? Eve of course.

It's never been decided whether she just fell off of her low-carbohydrate diet, or whether, fashion-minded as most women are, she took the easy way out of that clothesless existence.

Could any women really be expected to walk around forever in last year's birthday suit? The list of earthshaking events attributed to us gals goes on and on.

THERE'S HELEN of Troy, Cleopatra, Venus de Milo and Madame Pompadour, whose shapes shaped history.

Well, really, what man's face could launch a thousand ships?

And I don't know of any t-shirtless torso

that draws the viewing crowd that Venus de Milo does.

Maybe you can't remember which French king was which, but who could ever mix up Madame Pompadour and Marie Antionette?

Now let's get to some of the famous females from our own American history.

JOHN ALDEN and Miles Standish are two of the most famous early settlers, but do you remember anything else about them except their dual courtship with Priscilla Alden?

What Revolutionary hero could still claim commercial success after all these years as do Martha Washington's candies or Dolly Madison's cakes?

That's how it was and is, but remember, ladies, let him be called the head of the house, because we women are defined as the "homemakers."

Let him think that he made that big business deal over a game of golf. We really know that it took the woman of the household to give the client's wife that recipe she wanted so badly.

LET HIM MAKE the big decisions like when to pull Walter Payton out of the game or whether all politicians or just 99 percent of them are luney tunes.

We ladies will go on making the little ones, like how to stretch the food dollars so that the house payment can be squeezed out too, or whether the kids have a summer cold or pneumonia.

But don't give up fellas, keep trying and maybe someday you'll get your equal amendment passed.

FLUORIDE'S FIRST BIG TEST

In 1945, New York's State health department conducted one of the first and most rigorously controlled research projects in medical history. Teams of dentists examined the teeth of thousands of school children in the Hudson River cities of Newburgh and Kingston which both had fluoride-free water. In both towns, they found the same high incidence of tooth decay.

Over the next ten years, physicians and dentists repeatedly checked the children medically and dentally. When the decade ended,

they found only one difference. In Newburgh, children between six and ten—who had been drinking fluoridated water all their lives—had 60% fewer decayed, missing or filled teeth than youngsters from the same age group in Kingston.

Today, fluoridation is accepted and endorsed as a major public health measure in preventing tooth decay by virtually every scientific and health organization in the country.

St. Peter's Buffet Dinner being planned by women

Plans are in the making for St. Peter's Annual Buffet Dinner, on Saturday, August 9, at St. Peter's Social Center.

The buffet dinner, formerly "the Salad Bar Luncheon" has always been a very popular event with the people of Antioch.

The delicious foods prepared by the ladies of the parish will be the same. The only difference will be the time which has been changed to make this an evening family affair.

The buffet dinner will start

at 6:30 and continue until 8:00 p.m. Cocktails will be served at 6 p.m.

Tickets are \$5 for adults and \$2.50 for children.

There will be music for your dancing and listening pleasure by the Nor-Shore Trio.

The committee in charge of the food is: Margaret McKinney, Mary Jo Zeien, Gerry Dost and Pearl Roach.

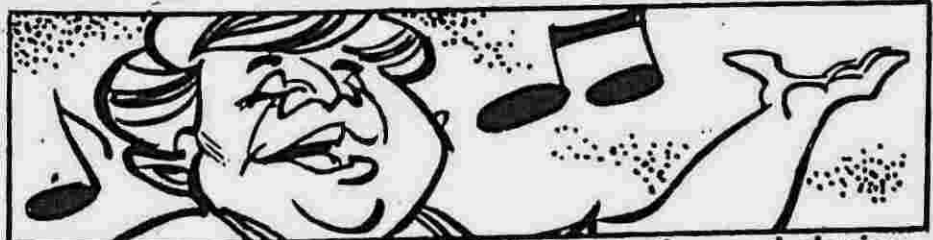

Table arrangements will be taken care of by Gene Benes.

Tickets are being handled

by Jane Marie Merkel, the program by Ann Kelly, games by Anne Kozel and publicity by Genevieve Mularski.

The officers of the club are President Doris Vieth, Vice President Margaret McKinney, Secretary Pat Kenyon and Treasurer Helen McLean.

Two represent Antioch at international meeting

Antioch was represented July 18-20 at an international meeting of more than 400 high school exchange students from 24 different countries at Calvin College

in Grand Rapids, Michigan, by Christina Quinn and Beth Kromer who are leaving shortly for a year abroad in Brazil and Japan respectively, as the guests of families there under auspices of the Rotary Clubs of those communities.

The conclave was sponsored by Central States Rotary Youth Exchange Program, Inc., an organization embracing Rotary exchange programs in Indiana, Wisconsin, Michigan, Illinois and Ontario.

The purpose of the two days was to provide opportunity for interchange among the many nationalities, and to assist in the orientation of American and Canadian students leaving next month for their year abroad.

The meeting also served to enhance contact between the exchange students and their Rotary district chairmen. A highlight was the presence of the president of Rotary International, Rolf Klarich, of

Helsinki, Finland.

In all, there were three categories of students: those foreign students in the midst of their stays in America or Canada; American and Canadian students preparing to leave for their years abroad and those Americans and Canadians just returning from a year away.

The Rotary youth exchange program is available to high school students of this area through arrangements with the local Rotary Club.

OFFICIAL PUBLICATION

NOTICE OF PROPOSED CONSTITUTIONAL AMENDMENT

Pursuant to law public notice is hereby given that the following proposed amendment to the Illinois Constitution will be submitted on a separate blue ballot to the electors of the State of Illinois for adoption or rejection at the General Election to be held November 4, 1980.

PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Proposed changes in the existing Constitutional provision are indicated by underscoring all new matter. The proposed amendment does not delete any existing matter.)

ARTICLE IX

SECTION 8. TAX SALES

(a) Real property shall not be sold for the non-payment of taxes or special assessments without judicial proceedings.

(b) (1) The right of redemption from all sales of real estate for the non-payment of taxes or special assessments, except as provided in paragraph (2) of this subsection (b), shall exist in favor of owners and

persons interested in such real estate for not less than two years following such sales.

(2) The right of redemption from the sale for non-payment of taxes or special assessments of a parcel real estate which:

(A) is vacant non-farm real estate or (B) contains an improvement consisting of a structure or structures each of which contains 7 or more residential units or (C) is commercial or industrial property; and upon which all or a part of the general taxes for each of 5 or more years are delinquent shall exist in favor of owners and persons interested in such real estate for not less than 90 days following such sales.

(c) Owners, occupants and parties interested shall be given reasonable notice of the sale and the date of expiration of the period of redemption as the General Assembly provides by law.

SCHEDULE

This amendment to ARTICLE IX, Section 8 of the Constitution takes effect January 1, 1981.

FORM OF BALLOT

The proposed amendment to Article IX will appear upon the Constitution

ballot in the following form:

PROPOSED AMENDMENT TO SECTION 8 OF ARTICLE IX

(Delinquent Tax Sale)

EXPLANATION OF PROPOSED AMENDMENT

The proposed Amendment deals only with the problem of long-term tax delinquency on commercial, industrial, vacant non-farm, and large multi-unit residential properties. It has no effect on single-family homes, farms, or apartment buildings containing 6 or less units.

The present Illinois law attempts to place long-standing tax delinquent properties back on the tax rolls after 5 or more years of non-payment of property taxes by the owner. To this end, the county treasurer conducts an auction, or "scavenger sale", at which the high bidder receives a tax sale certificate.

Following the scavenger sale, the Constitution now guarantees the delinquent owner 2 years to redeem or buy back the property. The high bidder cannot obtain title to the property until after this 2-year redemption period has elapsed.

The proposed amendment would allow the General Assembly to reduce the 2-year redemption period to no less than 90 days following the scavenger sale.

Place an X in blank opposite "YES" or "NO" to indicate your choice.

YES	For the proposed Amendment to Section 8 of Article IX of the Constitution to authorize the General Assembly to reduce the redemption period following certain tax sales which occur after property taxes have not been paid for (5) years.
